#### **FB page- Community Play Specialist Group**

This is just for group members who are working in community locations. We meet via Teams every 8 weeks and have a private WhatsApp chat for members. We are happy to have others to drop into meetings to learn, educate others, share knowledge and support. You are very welcome to come and meet us and learn about all the different HPS roles in the community. Best ways of contacting are via me, details below or if is someone working in the community to request joining the private page and answering the questions.
